

Product Care & Maintenance

Cane Furniture

We want you to enjoy your Fantastic Furniture for as long as possible, with simple care and maintenance you will extend the life of your furniture.

Regular dusting and vacuuming will keep the dust from settling and building up in the cracks. A damp cloth is all that is required for regular maintenance. To remove stubborn dirt use a mild detergent in warm water and dry with a soft cloth. Always clean up spills immediately.

Keep your cane furniture away from the elements. Direct sunlight, rain and moisture will damage cane as will placing your furniture too close to fireplaces or heaters.

Check all your furniture hardware (screws, nuts and bolts) fastenings to make sure they are not loose and tighten regularly to help keep the product looking its best for years to come.

These care instructions are a general guide – for any specific instructions check your product care label.
